## Kyotanabe Chat Room Leaders

Hello Everyone, I'm Kari Miyano from America. I enjoy helping students of all levels improve their English. I will give you personal help with speaking, writing, listening and/or reading. You can work on the area you want. If you come, your confidence in English will grow and we'll enjoy learning together.

Hello! I'm Brandy Nakamura. I'm from West Virginia in the United States. I moved to Kyotanabe City, Japan with my husband and children in 2010, and I have been teaching conversational English since I arrived here. My students have ranged in age from 3 years old to 77 years old. English can be enjoyable for all ages! I love helping students learn how to express themselves effectively and develop a deeper level of communication. I think language is best learned while having fun!

Mr. Jay Crystall

Hi everybody! I'm Jay Crystall from New York. I've been living in Japan for 13 years. In 2019 I published "Lovesic in Kyoto," a book about a foreigner's experiences and views on modern day Japan. I'm also a singer/songwriter/ producer with many original songs on YouTube and perform throughout Japan. I own an English school in Kyoto and spend my days and nights building bridges of culture and friendship. I'll probably stay here in Kyoto forever! Let's talk!!!

I'm Rachel, nice to meet you! I've been teaching English as a second language as a volunteer and professionally for over ten years. My Masters degree is in International Relations with dual foci in conflict negotiations and U.S. Foreign Policy, and my Bachelor's degree was in Political Science and Art. I like to learn languages. I have so many hobbies! I like to read and listen to music and follow makeup tutorials online. I love animals and have two pets. I'd love to talk with you about your interests or help you with your studies!

Mr. John Michael Martinez

Hello! My name is John Michael Martinez. I was born in the US in Texas but I grew up in California. I've really lived all over the West Coast in the US though; from LA to San Francisco to Seattle. If you need any travel tips for the USA, feel free to ask me! I've lived in Japan for almost three years now, and I'm currently based in Tokyo. My favorite thing to do is to adventure, explore new places, and meet new people. So far, Amami Oshima, Beppu, and Kyoto have been my favorite places that I've visited here in Japan. I'm always open to new travel recommendations, so let me know if you have any! I look forward to studying English and getting to know one another!
