## ★Imadegawa (face to face)★

Hi There!

My name is Jay Crystall. I'm originally from New York, and proud to call Japan my new home for 10 years. I've been teaching at Doshisha for 7 years and started my own education based business in Kyoto. I'm deeply committed to helping students develop confident English communication skills and to build bridges of culture and understanding to and from Japan. I recently published a book about a foreigner's experiences and perspective on modern day Japan. Additionally, I perform, record and have many videos of my original music online. Let's study!

Hello! My name is Antigoni — I'm from Chicago, USA. I moved to Kyoto a little more than 2 years ago after finishing my International Studies degree in America. I have a passion for language and cultural studies, so I hope to chat with you a lot about many things! Oh, and I like Ikebana! I hope to see you soon!

**Mr. John  
Michael  
Martinez**

Hello! My name is John Michael Martinez. I was born in the US in Texas but I grew up in California. I've really lived all over the West Coast in the US though; from LA to San Francisco to Seattle. If you need any travel tips for the USA, feel free to ask me! I've lived in Japan for almost three years now, and I'm currently based in Tokyo. My favorite thing to do is to adventure, explore new places, and meet new people. So far, Amami Oshima, Beppu, and Kyoto have been my favorite places that I've visited here in Japan. I'm always open to new travel recommendations, so let me know if you have any! I look forward to studying English and getting to know one another!
