Chat Room Leaders

Monday & Friday

Mr. Jay Crystall

Hi There! My name is Jay Crystall. I'm originally from New York, and proud to call Japan my new home for 10 years. I've been teaching at Doshisha for 7 years and started my own education based business in Kyoto. I'm deeply committed to helping students develop confident English communication skills and to build bridges of culture and understanding to and from Japan. I recently published a book about a foreigner's experiences and perspective on modern day Japan. Additionally, I perform, record and have many videos of my original music online. Let's study!

Tuesday

Ms. Brandy Nakamura

Hello! I'm Brandy Nakamura. I'm from West Virginia in the United States. I moved to Kyotanabe City, Japan with my husband and children in 2010, and I have been teaching conversational English since I arrived here. My students have ranged in age from 3 years old to 77 years old. English can be enjoyable for all ages! I love helping students learn how to express themselves effectively and develop a deeper level of communication. I think language is best learned while having fun!

Wednesday

Mr. John Michael Martinez

Hello! My name is John Michael Martinez. I was born in the US in Texas but I grew up in California. I've really lived all over the West Coast in the US though; from LA to San Francisco to Seattle. If you need any travel tips for the USA, feel free to ask me! I've lived in Japan for almost three years now, and I'm currently based in Tokyo. My favorite thing to do is to adventure, explore new places, and meet new people. So far, Amami Oshima, Beppu, and Kyoto have been my favorite places that I've visited here in Japan. I'm always open to new travel recommendations, so let me know if you have any! I look forward to studying English and getting to know one another!

Thursday

Ms. Irina Smykovskaya

Dear Students! My name is Irina Smykovskaya, please call me イリーナ先生. I love nature, traveling, and studying. Yes, all my life I've been studying something, just recently I became a yoga instructor and now I'm working on my PhD course at Kyoto University. Also I've been teaching English for many years at High Schools and Universities. Since I had to learn different languages all my life, I really know how hard this process is. In this chat room I would like to share my personal experience as a L2 learner, a teacher, and even a translator, and give you as many practical tips as I know to achieve each of your goals.
