REGISTRATION

1. Registration classes (Before the classes start)

Before spring semester classes begin, in the end of March, all students will complete registration for the whole academic year.

2. Registration Correction Period

In each semester, there will be a Registration Correction Period about one week from the beginning of classes. Only on this period will students be allowed to drop or add. There might be some students who start attending from the second class.

3. After Registration Correction Period

When the Registration Correction is completed, if the number of students who have signed up for a class far exceeds the capacity of the largest classrooms available, an extra section of the class may be opened. If that is impossible, the number of registrants will be forcibly reduced till it reaches 120% of the classroom capacity.

SALE OF TEXTBOOKS

Textbooks for most courses are put on sale before the spring semester classes begin in the bookstore and at a specially installed counter on campus. (But some textbooks for fall semester courses are put on sale before the fall semester classes begin.) Please understand that many students will not buy textbooks for elective subjects until their Registration Corrections are completed.

TEACHING MATERIALS

Printing and Photocopying

Materials to be copied and handed out to students in your classroom should be brought to the Part-time Lecturers' Lounge on the campus where you teach the class three days before the day they are necessary, along with the appropriate request form. Kyomu-ka will have the materials printed, but will not be responsible for putting multiple pages in sets or for stapling materials together.

Use of Machines:

You can make free use of the printing machine and copy machine in the Part-time Lecturers' Lounge to prepare class materials (black and white print only). When you need more than 20 copies of any one material, please use the printing machine.

The college will pay for all photocopying of materials for classroom use, but will charge a small fee for photocopying for personal use, including for research.

Dubbing Video and Audio Tapes :

Because of copyright laws it is not possible to copy video or audio tapes for classroom use. However, in some cases it may be possible to copy portions of materials, on a self-serve basis. The Help Desk has its equipment.

***Note**

Part-time lecturers are supposed to use the copy machine, paper, and materials in the Part-time Lecturers' Lounge for making teaching materials.

ATTENDANCE BOOK

The attendance book for part-time lecturers is in the Part-time Lecturers' Lounge. Please affix your seal or sign in when you come to the college for regular classes, make-up classes, and semester examinations.

CANCELLING CLASSES

Be sure to set the date for make-up classes through discussions with your students. Kyomu-ka cannot arrange make-up classes. Please do not plan make-up classes on any of the following : days when all classes have been cancelled, national holidays, Saturdays other than make-up days, semester examination periods. Please notify Kyomu-ka when you have decided on the date and time of a make-up class.

ABSENCES

As a general principle, attendance is to be taken during each class. However, each instructor must decide his or her own attendance policy, and is responsible for making that policy known to students, either through the course syllabus or through an announcement made during class, or both.

FIELD TRIPS
